Maintenance is everything

- Make changes as they come - don't wait too long
- Make a commitment to update your website often
- Put it on your weekly/monthly schedule
- Try “remodeling” your website every couple years

TAKE EXTRA CARE

Having an out-of-date website is worse than having no website at all!

Old website appears as if you are not active as a professional

Buying your website name

- Keep website's name short and catchy
- The price of the domain name depends on popularity
- Yearly costs of these domain names are:
 - WesternReserveMusicTeachers.COM \$12.99
 - Musicteacher.guide \$39.99
 - Musicteacher.com \$650

Important points when building any website

Who is your audience?

What is the purpose of your website?

Few points on design

Language

- Understand your audience
- Use appropriate language

Design

- Format the text clearly
- Choose font, color and size consistently
- Decide on colors that will not interfere with text and clarity
- Add photos, videos and graphics to enhance your website

Computer vs. mobile

- Check the website on computer and mobile device
